## Would you like to be featured in one of our upcoming books?

**We are looking to run the gamut with our books: expose the corruption, tickle the funny bone, and inspire the masses to animal activism and rescue work!** In order to do this, we want to share the stories and struggles of those currently working in the field. **In order for us to get YOU into one of our books, download, print, and fill out this form (either through Acrobat or by hand), scan if necessary, and send with your short feature story about your topic or your experiences in activism and/or rescue (in .doc or .docx format) to [mystory@whochainsyou.com](mailto:mystory@whochainsyou.com).**

### Answer a few questions for us.

**1. Where does your story fit.** We are currently accepting stories from activists and rescuers for use in one or more of our books. Your short story of your experiences will not only bring you/your nonprofit organization more supporters and fans, but also serve to entertain, educate, and inspire others who yearn to make a difference too. **Let your light shine, people! We want to know more about YOU.** Please check one box and if "Other" list a suggested book topic for which your story would be a great fit.
